PRESS RELEASE

Galway's Abhaile Solar & Electrical Accredited as Business All-Star 2025–26

Galway's Abhaile Accredited as Business All-Stars

Galway's Abhaile Solar & Electrical Ltd, based in Galway City has been awarded the Business All-Star 2025–26 accreditation by the All-Ireland Business Foundation.

This accolade recognises the company's excellence in solar PV energy provision throughout the west of Ireland, combining trusted workmanship with a deeply personal, customer-focused approach.

A family-operated, SEAI-registered business, Abhaile Solar offers a full, end-to-end service: from consultation and grant support through to installation and aftercare.

Donal Gibbons and Juliana Erkkonen at Abhaile Solar and Electrical as they were honoured with Business All-Star 2025-26 accreditation from the All-Ireland Business Foundation.

With over 30 years of electrical experience behind it, the company stands out for its holistic, client-centred ethos and proven reliability in renewable energy projects.

The AIBF adjudication confirms Abhaile Solar's performance, reliability and client-centred philosophy, placing it among Ireland's most trusted renewable energy providers.

This accreditation signals to homeowners and businesses that they are choosing a solar services firm that has met independently verified standards for quality, trust and consistency.

Reacting to the news, Managing Director / Owner Juliana Erkkonen said:

"I'm proud to accept the Business All-Star 2025-26 accreditation on behalf of the whole Abhaile Solar team. We've always believed that solar energy should be accessible, reliable and supported long after installation. This recognition proves to our clients that we meet the highest standards of performance, trust and service. It motivates us to keep innovating and delivering sustainable energy solutions that people can depend on."

Announcing the accreditation, Kieran Ring, Deputy Chair of the AIBF Adjudication Board, said:

"Abhaile Solar & Electrical exemplifies how a regional renewable energy provider can earn national trust. Their dedication to quality installations, customer support and ethical practice is exceptional. The fact that they are SEAI-registered and backed by decades of electrical experience adds layers of credibility. This Business All-Star accreditation honours their consistency and client-first mindset."

Kapil Khanna, Managing Director of the AIBF, added: "Abhaile Solar & Electrical deserves this accolade for combining technical expertise with a customer-first focus. Their accreditation confirms they meet the high standards of performance and reliability we value. They stand out in the clean energy sector."

He said: "We evaluate a company's background, trustworthiness and performance, and we speak to customers, employees and vendors. We also anonymously approach the company as a customer and report back on the experience. The business goes through at least two interviews and is scored on every part of the process against set metrics."

About The All-Ireland Business Foundation

The All-Ireland Business Foundation is an autonomous national accreditation body tasked with enterprise development and the promotion of Best-in-Class Irish businesses.

As the accreditation body for the Business All-Star mark, the AIBF recognises Best-In-Class Irish businesses. Companies that merit recognition based on an independent audit of their performance, reputation, and customer-centricity.

Business All-Star Accreditation Is The Nation's Symbol Of Trust. Currently, there are over 750 companies that are accredited by AIBF. Since 2014, over 5000 companies have participated in our programs.

The AIBF also hosts the annual All-Ireland Summit and monthly gatherings to promote peer learning and collaboration among its accredited companies. For more information please visit www.aibf.ie
